

*"Lord, help!" they cried in their trouble, and he saved them from their distress...  
Let them praise the Lord for his great love and for the wonderful things  
he has done for them. (from Psalm 107 NLT)*

# GLOBAL DAY OF PRAYER & FASTING

## A COVID19 PRAYER

**O**ur almighty Father God, Creator of Heaven and Earth, as Your children living in every corner of the world we come before You today to intercede for our nations, almost all of which are currently affected or under threat of the COVID19. We praise You that You neither slumber nor sleep and You watch over our lands and our peoples, especially in perilous times such as these.

Our help comes from You. We cry out for Your mercy and protection against this virus. We declare that You alone are our refuge—our place of safety. We pray that You protect our peoples from this deadly disease and rescue our lands from this dangerous trap.

Grant our governments and the various national and local leaders wisdom and understanding as they establish and implement guidelines, measures, and strategies in fighting against COVID-9.

Enable our health officials and medical personnel with Your strength and power as they attend to the sick and vulnerable, and allow this pandemic to pass quickly. Lead the medical scientists around the world who are working double-time to find the antidote to the COVID19 virus.

In these dangerous times, grant us Your grace and peace to stay calm and to overcome fear, because the spirit of fear does not come from You. Instead You have given us faith, hope, and love. You have given us power and a sound mind. Your Word says that You will keep in perfect peace those whose eyes are fixed on You.

Help us to reflect the image of Jesus Christ in caring for the less affluent who could hardly afford to buy for their daily need and are left vulnerable as more affluent people buy stores empty. Move us to selflessly extend comfort and help to the isolated and lonely, just as we receive comfort from You in times of difficulty.

Finally, we pray that in the midst of this pandemic, You would unite us in love, bind our nations in peace, and bring hope and healing to our lands with Your grace and Your power. In the name of our Lord and Saviour Jesus Christ we pray, AMEN.
